DAILY PRACTICE: BIBLE READING

ASK THESE QUESTIONS OF THE PASSAGE YOU ARE READING:

1. What does this passage teach me about who God is?
2. What does this passage teach me about who I am?
3. What practices are there to emulate?

DAILY STEP JUNE

One of the primary ways God changes us is through His Word. Bible reading is one of the most important practices in our formation. Placing ourselves in Scripture daily is the single greatest habit the people of God can do.

CATCH UP & REFLECTION

We know life gets busy, so at the conclusion of every month we provide a series of days to catch up and reflect on what we've read. Take this time to go back and make up days you missed or reflect on notes you've taken along the way. As a bonus, we've provided additional readings from Proverbs to follow along with as we continue practicing the discipline of spending time in God's Word each day. Join us again next month as we continue in our Daily Step reading plan.
